LUXURY TOILET TRAILERS

New Designs – Same Quality of Care!

The choice of luxury toilet facilities is still one of the most important factors to consider when planning your Special Event, whether this is to be for a wedding, private party or prestigious corporate event. There's no doubt about it - guests always remember the loos!! Let us help them remember your event - for the right reasons!

We can offer a choice of design options in our luxury toilet fleet – our chic 'Vogue' Contemporary range, our classy 'Deco' range and our 'Classique' traditional design – all re-circulating units but with decors to suit all tastes – and budgets.

These , together with our innovative Moduloo option offer the perfect choice for every prestigious outdoor event and will complement all venues and themes.

The 'Deco' range offers a smart interior colour scheme of burgundy/white complemented by oak doors, skirting and door trims with modern porcelain fittings.

The 'Vogue' range offers a clean, minimalist look, white exterior and interior, coloured interior panels and doors, spacious vanity areas with entrance doors both sides.

The 'Classique' range offers a traditional look of green exterior, cream walls and wood trim and worktops, with spacious vanity areas and entrance doors both sides.

- Can be positioned inside your marquee or outside as a standalone unit
- Totally self-contained - we only require a 13 amp electrical socket or connection to a 7kva generator
- No plumbing or water connections required
- Positioned as multiples for larger events
- Easy access trailer facilities available
- Standby cover available on request
- Gully emptying service for longer hires
- Easily converted for mains drainage

"These are better than my bathroom at home!"

'DECO' RANGE OF CONTEMPORARY TOILET TRAILERS

So often it is the toilet facilities that guests remember at an event – let us help you ensure that their memories are good ones!!

Our contemporary 'DECO' re-circulating mobile units offer spacious and modern facilities ideal for any outdoor private or corporate event.

FEATURES INCLUDE:

- Smart interior colour scheme of burgundy/white complemented by oak doors, skirting and door trims
- Superior non-slip flooring
- Brushed stainless steel dispensers
- Contemporary semi-recessed porcelain basins with sensor taps offering warm water
- Flush LED downlighters
- Polished chrome fittings

With a modern contemporary décor and more room than most trailers, the DECO range offers the ultimate in temporary toilets but an affordable price.

Being totally self-contained, and only requiring a 13 or 16 amp electrical connection – (no plumbing or water connections are required), the Deco range of units will complement all venues and themes and ensure your guests remember your event – for the right reasons!

'VOGUE' RANGE OF CONTEMPORARY TOILET TRAILERS

A new addition to our fleet to complement our 'Deco' and 'Classical' ranges, the 'Vogue' style offers a modern, chic and stylish décor ideal for any type of prestigious event

Using slim-line porcelain basins set on a narrower worktop assures plenty of internal space, and with entrance doors on both sides allows simple positioning of unit and access for your guests.

Being re-circulating still ensures minimal requirements on site but can easily be converted for mains drainage for longer hires, subject to suitable services being available.

FEATURES INCLUDE:

- New interior colour scheme of white walls, coloured interior doors with matching panels
- Pristine white exterior with grey skirt
- Entrance doors both sides
- Superior non-slip flooring
- Coloured LED lighting beneath worktop
- Brushed stainless steel dispensers
- Contemporary porcelain fittings
- Stylish porcelain basins on slim-line worktop allowing more room within each vanity area than other trailers
- Sensor taps offering warm water
- Flush LED downlighters
- Polished chrome fittings
- Easily plumbed into suitable mains services on site

'CLASSIQUE' RANGE OF QUALITY TOILET TRAILERS

Our traditional 'Classique' re-circulating toilets offer light and clean facilities suitable for all types of outdoor celebrations.

The 'Classique' range offers an ideal choice when classy temporary toilet facilities are required. Being self-contained, and only requiring a 13 amp or 16 amp mains electrical connection or 7kva generator and no water connection, your guests will be well looked after with minimal effort and requirements on site.

Offered as 3+1 units up to 250 guests can be accommodated at an event.

- Features include:
- Dark green exterior with green PVC skirts
- Dark cream walls and wood worktops and trim
- Superior non-slip flooring
- Contemporary counter-top wash hand basins
- Flush downlighters
- Chrome fittings
- Entrance doors both sides
